Olympia, Washington

October 20 & 21, 2020 / 0800-1700

Thurston County Emergency Operations Center, 9521 Tilley Rd S, Olympia, WA

Hosted by Thurston County Sheriff's Office

Course Description: "Canine Liability 360" is still rated by its attendees as the most comprehensive liability course being offered to handlers and K9 supervisors since 2010. This two-day (16 hours) class serves as an essential phase (and required by some agencies) for both the K9 handler and K9 supervisor to assist in managing their K9 program and preparing for their potential "legal defense" to prevail in the event of a lawsuit by examining TAC Team's "360 Degrees of Responsibility" involving a single purpose patrol or cross-trained police service dog. *(This class is not recommended for detection only handlers.)* Participants will benefit from the firsthand experiences and recommendations of the instructor as well as others as some recent cases and incidents not found in "case law updates" are reviewed and discussed and the lessons learned shared.

K9 handlers, K9 supervisors, and K9 administrators from the same agency are encouraged to attend together so everyone involved with their respective police dog program can simultaneously learn information and hear recommendations for successfully operating and evaluating their program. By doing so, they should all leave with a better understanding of each other's duties and responsibilities to reduce their risk and limit their liability. *More information about the class can be viewed at <http://tacticalk9usa.com>*

The course topics will include:

- "Reasons We Get in Trouble"
- Policy & Operational Manuals
- "Case Law and Control"
- Selection and Retention
- Testing and Training
- Report writing
- "The Court of Public Opinion"
- Deployments / Debriefs
- Deposition & Trial Testimony
- Use of Force
